

Welcome to WLD Ranch

The **Wayne Leonard Davis Ranch** was established in 1963 in memory of a young man whose vision was to share Jesus with the children in his community. Over 45 years later, Wayne's vision is actively being carried out through our ministry.

WLD Ranch is a 97-acre camp just south of Interstate 90 in Fairview, PA. We offer a variety of programs year round, including retreat opportunities for churches, schools, and other groups.

We are committed to guiding campers and guests to Jesus Christ as the Truth in life. Our staff strive for excellence in service as we represent Jesus to our guests. Our mission is camping with a purpose to explore the Word of the Lord daily through outdoor adventures, encompassing people of all ages, led by trained staff who will guide campers socially, morally, physically, and spiritually toward God's Word as Truth in life.
