☆ **About WLD Ranch**

The **Wayne Leonard Davis Ranch** was established in 1963 in memory of a young man whose vision was to share Jesus with the children in his community. Over 45 years later, Wayne's vision is actively being carried out through our ministry. **WLD Ranch** is a 97-acre camp just south of Interstate 90 in Fairview, PA. We offer a variety of programs year round, including summer camps, retreat opportunities for churches and other groups, Field Days and Educational Days for school groups, Horse Retreats for Girl Scouts and other groups, Horse Lessons, and community events. (*Explore our website to learn more about our programs. Explore the "About WLD" section to learn more about our staff, history, and purpose.*)
