

Focusing Your Faith

WLD Ranch facilitates retreats for a variety of groups, including youth groups, men's groups, women's groups, young adult and college groups, and children's ministries. WLD Ranch provides a peaceful setting for your group to build connections, renew commitments, and explore God-given purpose. Our retreats allow you to come away from the routines of life so you can focus your attention on things that matter.

We provide the facilities (lodging, dining, meeting, and recreation), the meals, and optional activities (horses, challenge course, archery, riflery, sledding, etc.). You are responsible for your program, speaker or speakers, and chaperones. These arrangements allow you to focus on your group while we provide the setting for your ministry to take place. We would like to come alongside you to be a resource for carrying out your ministry.

A typical weekend retreat begins Friday evening and lasts through Saturday evening or Sunday lunch.* We offer several packages to match your group needs. Our facilities provide space for your group's meetings and activities. Our grounds offer outdoor activities for your leisure time. Our staff facilitate recreational out-door activities, teambuilding challenges, opportunities for growth and development, relationship building, as well as horse riding for your enjoyment.

*Packages are designed for weekends and include meals for Saturday and Sunday. Other retreat formats may be available by arrangement.

About WLD Ranch

The **Wayne Leonard Davis Ranch** was established in 1963 in memory of a young man's vision to share Jesus with the children in his neighborhood. Nearly 50 years later, Wayne's neighborhood continues to grow as people come away to a life-changing experience.

Conveniently located near two interstate highways in northwestern Pennsylvania, **WLD Ranch** is a 97-acre Christian camping ministry. We offer a variety of programs year round, including summer camps, community events, horse programs, and retreat opportunities for churches, schools, and other groups.

Our mission is to guide campers and guests to Jesus as the Truth in life. Our staff strive for excellence in service as we represent Jesus to our guests. The WLD Ranch is associated with the Federated Church of East Springfield and is a member of the Christian Camp and Conference Association (CCCA).
