

Summer Camp at WLD Ranch is an experience your campers won't soon forget. Our Round-ups are full of activities to make your camper's week full of memories.

Bible Round-Up (All camps) - "Tracking Down Truth"

Throughout the week, campers meet with camp counselors in small groups or cabin groups to focus on the Bible Round-Up theme for the summer. This summer, we will turn to the Bible for directions in "Tracking Down Truth." We will explore how to find the truth, how to know the God who is true, how to live the truth in our daily lives, and how to proclaim the truth to those around us. As we track down truth, we will learn how to grow in knowing Jesus as the Truth in life.

Chuckwagon (All camps)

WLD's Chuckwagon is once again full of the latest Ranch wear and souvenirs and the greatest snacks around, so campers should come prepared! (We recommend depositing camper money into the WLD Ranch bank for safe keeping. Then they can access their account at the Chuckwagon.)

Free time activities (All camps)

Campers will have many supervised free time activities to choose from during the afternoons (and some evenings), including swimming, archery, riflery, horse rides/trail rides, bouldering wall, mountainboards, game room, and more!

Activity Classes – for Round-ups #2, 2D, 3, and 4

(Note: Specialty Camps have a separate list of specialty choices. Pre-junior campers will sample many of these activities as part of their Pre-junior Camp experience.)

Campers attending the Traditional Junior or Teen camps and the Junior Day Camp must choose an Activity Class for their week of camp. Activity Classes meet each morning except Friday. (Activity classes are limited in size and are first come, first served.)

Adventure Team: Learn to think creatively, to develop problem solving skills, to value teamwork, and to challenge yourself with a variety of adventure activities, including our challenge course, bouldering wall, canoeing, and more!

Archery: Learn about archery safety and work on developing precision and accuracy through target shooting and archery games. The class will use traditional recurve bows, but may have opportunities to shoot longbows and compound bows. They will also get to try their hand at tomahawks and atlatls.

Horsemanship: Learn the basics of riding and caring for horses. Through our sequential riding program, campers build on their knowledge and skills from year to year. (There is an additional fee of \$20.00 due at registration for RU#2, 2D, 3, or 4.)

Outdoor Survival Skills: Learn valuable skills such as tying knots, building campfires safely, using a map and compass, and identifying animal tracks.

Riflery: Learn about firearm safety and shooting techniques of .22 caliber rifles. We will focus on the fundamentals of rifle shooting in order to improve accuracy for each camper.
